As a member of **DrOnCall**, there is no need to worry about the high cost of over 200 commonly prescribed medications when you have the **PRO PLUS-1 Medication Program** to include 37 ACUTE medications at no cost, plus 200 routinely prescribed CHRONIC drugs for only $1 per fill. (Valid only in the USA)

You can view all medications in this program along with their co-pays on the following pages. Feel free to take this formulary to your physician to help them prescribe a listed medication so you can stay within your budget.

This Program is Easy to Use

Once your membership onboarding is completed, you will receive an email with a link to your personalized Rx Card and instructions on how to set up your online medicine cabinet. Your electronic Rx Card can also be found by logging onto our website at **www.SimpleScriptsRx.com**. Just click on your username in the upper-right and then click 'Membership Card.' This card may also be used for everyone in your family/household.

The Rx Card will display your BIN, PCN and Group Number to present to the pharmacist. You can present this card to virtually any retail pharmacy (over 70,000 in network) and if on the formulary, you'll pay the listed copay. If your medication is not on the formulary, your out-of-pocket cost is based on a deeply discounted price.

They also offer a **Prescription Assistance Program (PAP)** for many medications over $200. If you are on one of these costly drugs, visit **SimpleScriptsRx.com** and chat with our Customer Care team to get the information you need. You could save hundreds, maybe thousands a year. Rx savings are simple with SimpleScripts Rx.

This a Pharmacy Subscription Program. THIS IS NOT INSURANCE. We provide you direct access to medications at negotiated PBM pricing, and Home Delivery Pharmacy pricing on a pre-paid basis. Your Rx Card offers solutions for high-priced specialty medications via an International Pharmacy or PAP service. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for super-low pricing. Sometimes, this can be your lowest price option. Only certain doses and quantities for each medication are offered through this program.

Your Rx Card is NOT Insurance. Discount Only – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact customer care anytime with questions or concerns, to cancel your registration, or to obtain further information. This program is administered by Medical Security Card Company, LLC, Tucson, AZ.
